

The Preston Ridge Trail, located primarily within an ONCOR utility right-of-way in far north Dallas, links Fretz Park, Salado Park and Campbell Green Park while connecting directly to the proposed Cottonbelt Trail and the existing section of the Cottonwood Trail. The trail also links several public schools. Phase I was built by Dallas County. Phase II was funded by the City of Dallas and Collin County.

Total Planned Length: 33,133 LF (6.3 Mi)
 Total Current Length: 33,133 LF (6.3 Mi)
 Percent Complete: 100%
 Surface: Concrete
 Width: 12 feet
 Right-of-Way Status: A license agreement with ONCOR is currently in place for both phases.
 Unfunded Need:
 Advocacy/Partnership: Friends of the Preston Ridge Trail (refer to www.prestonridgetrail.org) . Dallas County, Collin County and ONCOR.

Assessment of Existing Trail: Phase 1 was completed in 2003 and is in good condition.
