

# Valley View Park Nature Trail

The Valley View Park Nature Trails are built and maintained by an area Boy Scout troop. The trails meander through a 13-acre forest adjacent to White Rock Creek, west of Hillcrest Road in north Dallas. This trail provides a surprising natural experience in densely developed part of Dallas. Parking is available on the east side of Hillcrest Road at the trail-head for the White Rock Creek Greenbelt Trail.

Total Planned Length:	1,320 Linear Feet (.25 mile)
Total Current Length:	1,320 Linear Feet (.25 mile)
