

## Bachman Lake Park Trail

### 3500 W. Northwest Highway

#### General Description

This trail is paved with a mixture of concrete and asphalt and runs through park land around Bachman Lake. There is an exercise circuit with 16 stations positioned along the trail. As the trail meanders along the northern bank, you may see various species of geese and ducks, a grove of bald cypress trees, or sculling on the lake. The southern bank of the lake offers a close-up view of airplanes landing at and taking off from Love Field Airport.

#### Directions to Trailhead from Downtown Dallas

Go north on I-35, exit Harry Hines Blvd. and merge left onto Harry Hines Blvd. for .1 miles. Turn right onto Webb Chapel Extension for .3 miles to Northwest Highway; turn right on Northwest Highway for .3 miles. The entrance to the park is on the right.
